

Cholla District Weekly Update

The Glendale City Council unanimously approved AEG Management Glendale, a division of AEG Facilities LLC, as the new manager for Gila River Arena at the April 26 voting meeting. AEG Facilities is a stand-alone affiliate of AEG, which is the world's largest sports and live entertainment company providing comprehensive venue management and programming services. The agreement provides cost certainty for taxpayers along with both the vision and resources necessary to attract visitors to the Westgate Entertainment District. In addition, AEG has a proven track record of managing arenas and attracting leading artists and events. AEG has a strong presence in the southwest and western US in locations such as Las Vegas, Los Angeles and San Diego. In addition, AEG owns the Los Angeles Kings and manages several other arenas that house NHL teams around the country and has exceptional knowledge of NHL hockey. As Gila River arena manager, AEG will be responsible for negotiating a new lease agreement with the Arizona Coyotes. Chuck Steedman, COO AEG Facilities has said that AEG is looking forward to working with the Coyotes for the upcoming season and beyond.

Serve On A Glendale Board or Commission!

The City of Glendale's Boards and Commissions assist the City Council in making important policy decisions that impact our community. These citizen advisory groups research, study, and discuss specific issues with both short and long-term implications, and then forward their recommendations to the City Council. I encourage you to attend and submit an application for a Board or Commission.
